THE CHINA-SEA SAIGON, & STRAITS
STEAMSHIP COMPANY, LIMITED.
CAPITAL \$500,000.
10,000 SHARES OF \$100 EACH.
\$40 PER SHARE PAID-UP.

Directors:
VISCOUNT DO GERALD,
E. J. BAGE, Esq.,
RICHARD DEACON, Esq.

A very large traffic exists between the Straits and China, and the present state of things, for which the present lines of Steam communication afford very inadequate accommodation, and shipping has been very much impeded by the want of a sufficient number of ships, especially by the Chinese residents of the place indicated. It is proposed to run a line of steamers from Saigon, and Siam, to the ports of Canton, Amoy, and Foochow, in connection at Singapore with the steamer of the P. & O. N. Company, and to have a line of steamers running from China to the French Colonies, and also to Siam. Extensions of this service are also contemplated.

Arrangements have also been made with the various lines of Coast Steamers for the carriage of freights and passengers, so that a numerous and needless competition will be avoided. The *Orifl*, with a tonnage of 1,000 tons, has been built, and is now running. Another large and powerful steamer will shortly be placed on the route.

The Company has been registered with the British Admiralty, under the Companies Ordinance of 1850.

Five hundred and thirty thousand Dollars of the Capital of the Company have already been subscribed, including subscriptions for the shares of the Directors, and a sum sufficient to maintain the business of the Directors in Hongkong. The First Call of \$10 per share is payable on allment, and the Second Call of \$10 per share on the 22nd February, 1870.

The Articles of Association may be seen, and Forms of Application for Shares have been issued by the Secretary, Office of H. C. CALDWELL, Esq., Solicitor to the Company.
